

BEAR

# THE 67<sup>9</sup> BEAR

West Oso High School

Corpus Christi, Texas

# DEDICATION

The Annual Staff dedicates the 1967 BEAR to Dr. George J. Garza, superintendent of the West Oso Independent School District, because of his personal interest in the welfare of all the students and his endeavors to further improve the schools in our district.

Dr. Garza has worked diligently to make our schools what they are today and he is continuing to work for greater improvements. In addition to his work in the district, Dr. Garza has been active in education on the local, state, and national levels.

This year he was invited by the White House to attend a conference with White House staff members and key government officials on the situation of people of American-Spanish descent, particularly in the field of education. He attended a Bilingualism Conference in Austin and also a meeting of the American Association of School Administrators held in Atlantic City, New Jersey.

Dr. Garza's dream is to make West Oso one of the best districts in the State and at the rate things are moving forward, his dream will no doubt be realized.

Dr. Garza checks mail with secretary, Mr. Rosabel Hewitt.

# SCHOOL OPENS WITH

School opens with a rush of activities...

Alarm clocks ring, lunches are made, and then buses are caught for the ride out to school.

The beginning of school offers a chance to renew friendships and make new friends.

It also means books, classes, lockers, anticipating football games, and studying.

Students read poster

"I've got to get me a seat!"

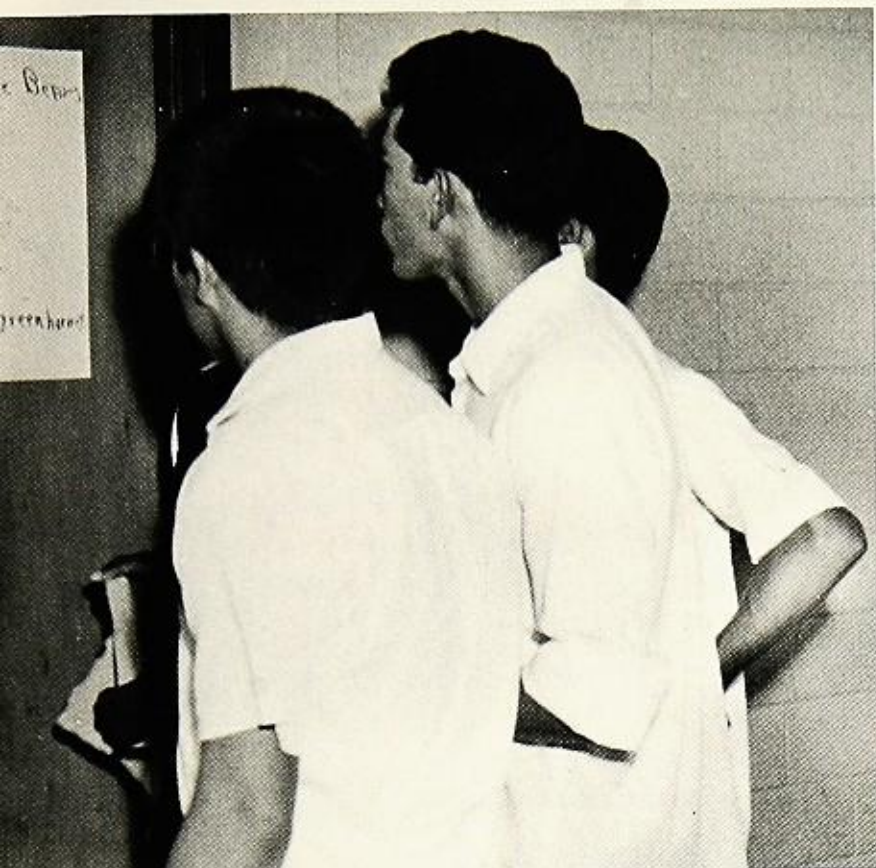

Students relax after

# MANY ACTIVITIES

Classmates meet at lockers for books and conversations.

Students renew friendships between class periods.

of first football game.

a strenuous exercising session.

# HOMECOMING HIGHLIGHTS

## CORONATION CEREMONY

The coronation of the 1966 Homecoming Queen, Miss Eliza Estrada, was a spectacular event. The colorful ceremony was held at half-time during the West Oso - Sinton football game November 18.

Members of the band, forming a heart around the Queen and Her Court, played "Let Me Call You Sweetheart". The drill team made an arrow through the heart. Mr. Welder Brown, president of the school board, crowned the Queen and presented the Queen and the Duchesses with bouquets of flowers.

The Queen was escorted by Mario Espericueta and the Duchesses were Miss Alma Araiza escorted by Marcos Noyola, Miss Aurora Amaro escorted by Juan Gonzales, Miss Esperanza Moreno escorted by Max Estrada, and Miss Antonia Longoria escorted by Joe Bernal.

## HOMECOMING GAME

A field goal, made after time had run out, gave the Sinton Pirates a 21-19 win over the West Oso Bears in a breathtaking football Homecoming game played in Cabinass Field November 18.

When time ran out, the score was tied 19-19, but a penalty was called against the Bears on the final play. The Pirates took advantage of their opportunity and kicked a field goal to win the contest.

Seniors playing for West Oso for the last time were George Williams, Phillip Sims, Delton Young, Douglas Harris, Wil Jackson, Calvin Todd, James Savere and Hermie Thomas.

James Savere leads the Bears to the field

Riley Odoms hits paydirt for the Bears

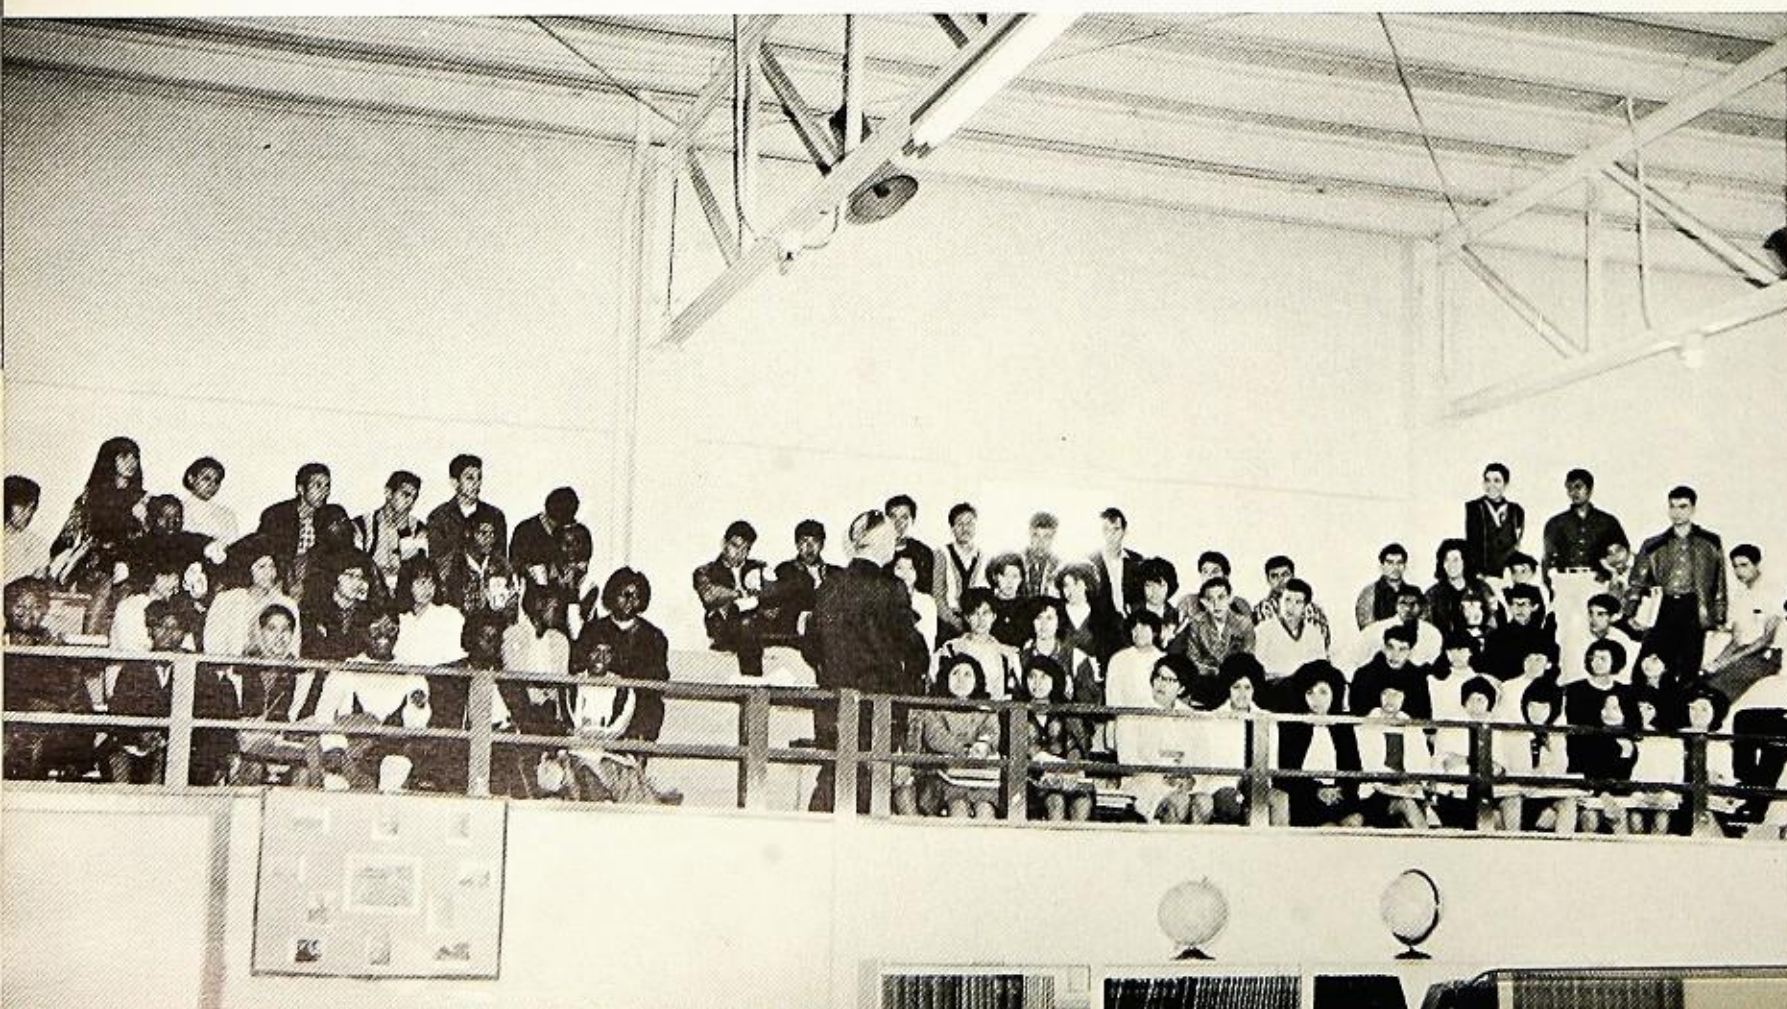

*SPORTS, ASSEMBLIES PEP RALLIES,*

The Fighting Bears in action.

Mr. Sands counsels with Senior Class regarding plans after graduation.

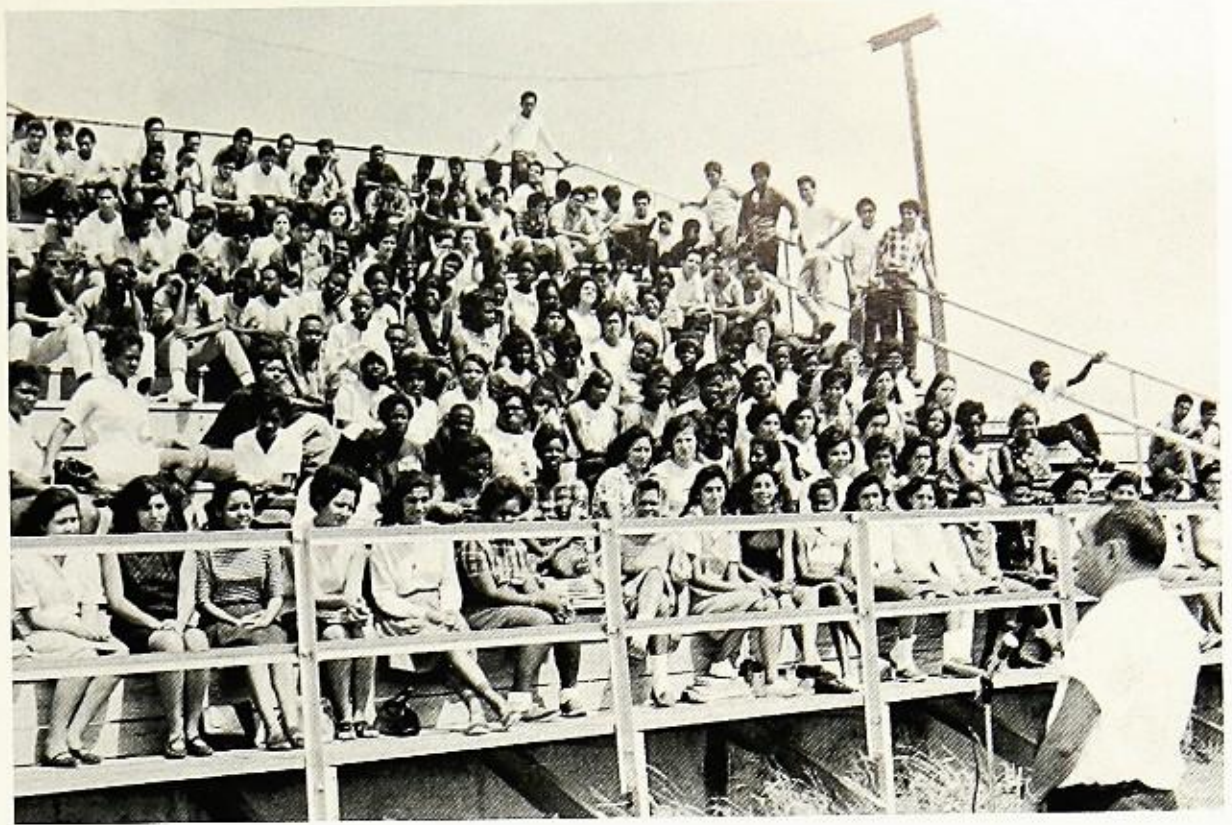

# BREAK ROUTINE

High school spirit builds our pep rallies into eventful ones for the games to be played.

Our assemblies bring us closer to our school as we gather in groups to learn more about ourselves, our school, and our country.

Each game played gives a momentum which stays with us for a long time or until another takes its place. Some are never forgotten.

Principal Portis gives pep talk to students.

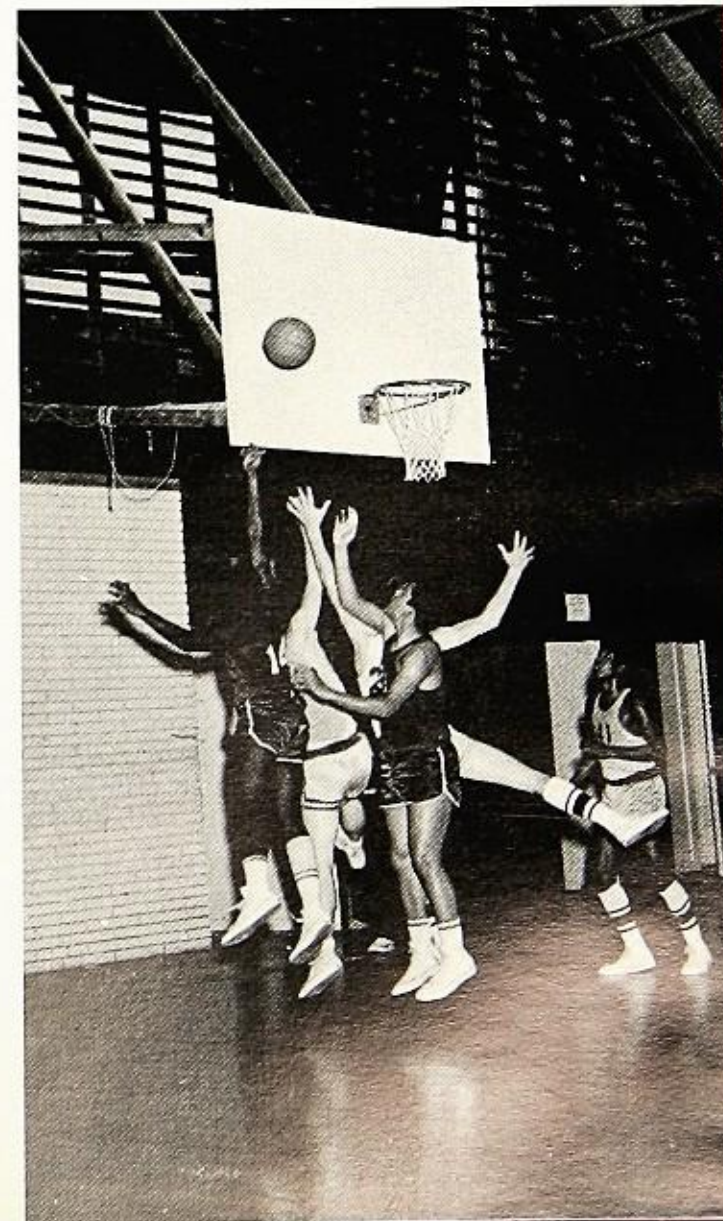

Gilbert Garcia and Jesse Elizalde plan to participate in debating at the UIL Meet.

Coach Hinojosa instructs team at half-time.

B team plays Flour Bluff in District game.

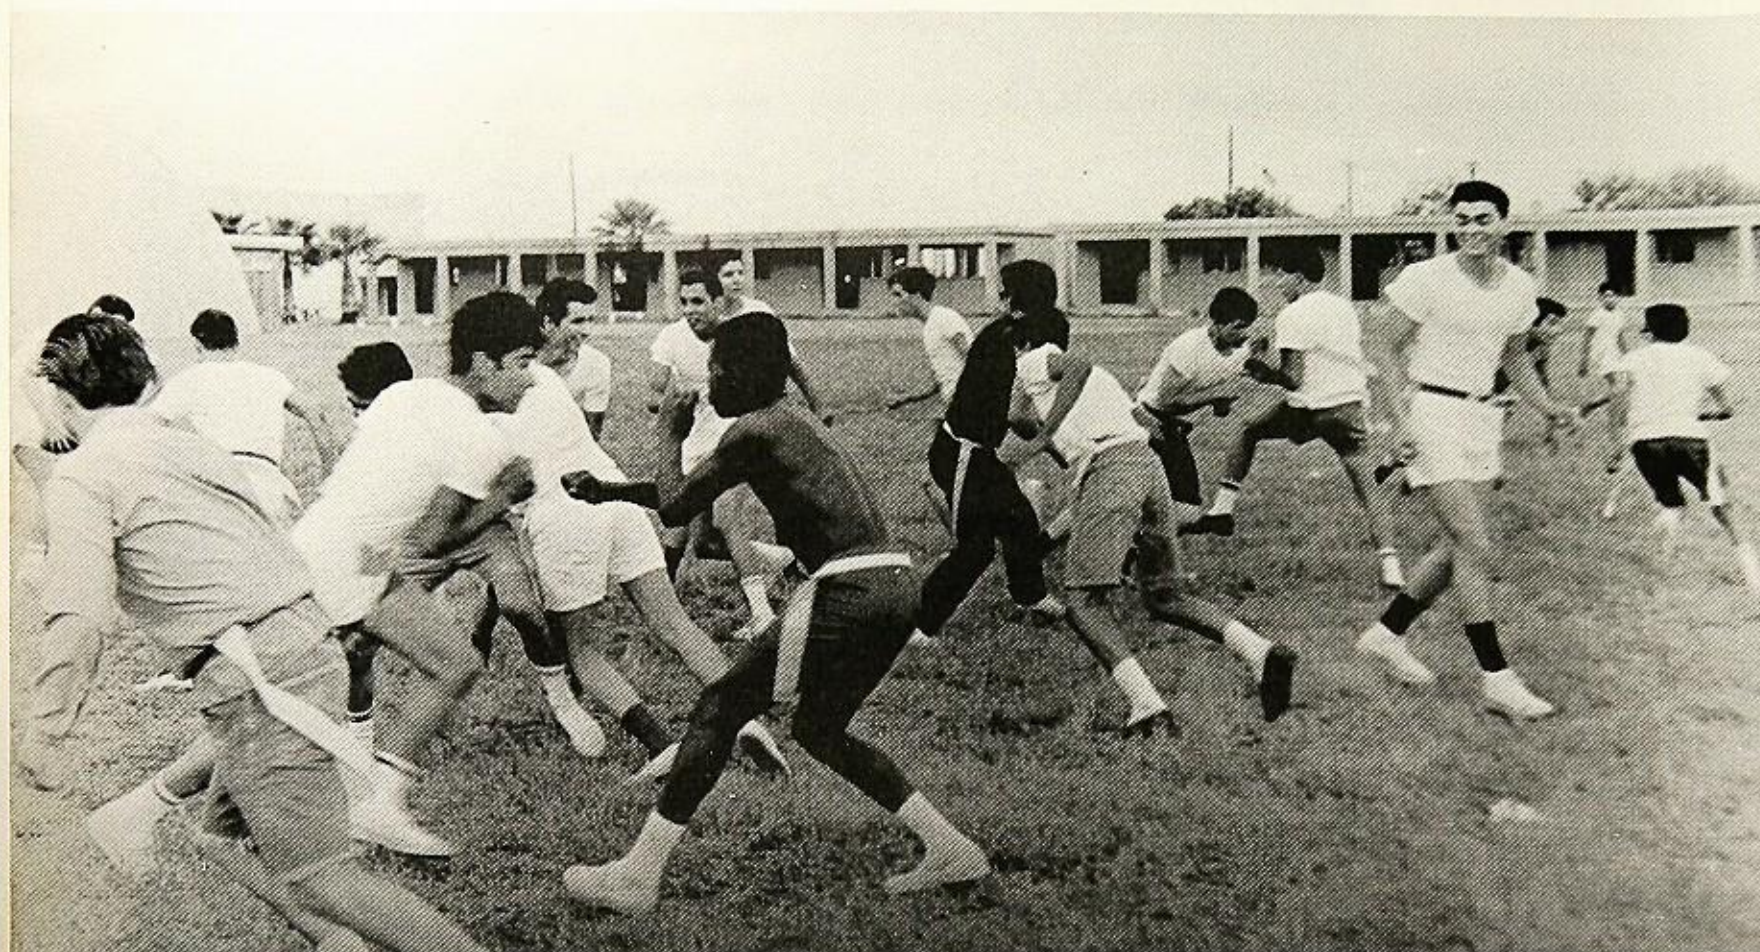

Varsity warms up for final game of season.

# WEST OSO STUDENTS IN

Students enjoy vigorous exercise.

Journalist struggle to meet deadline.

Students

Noon

# ACTION

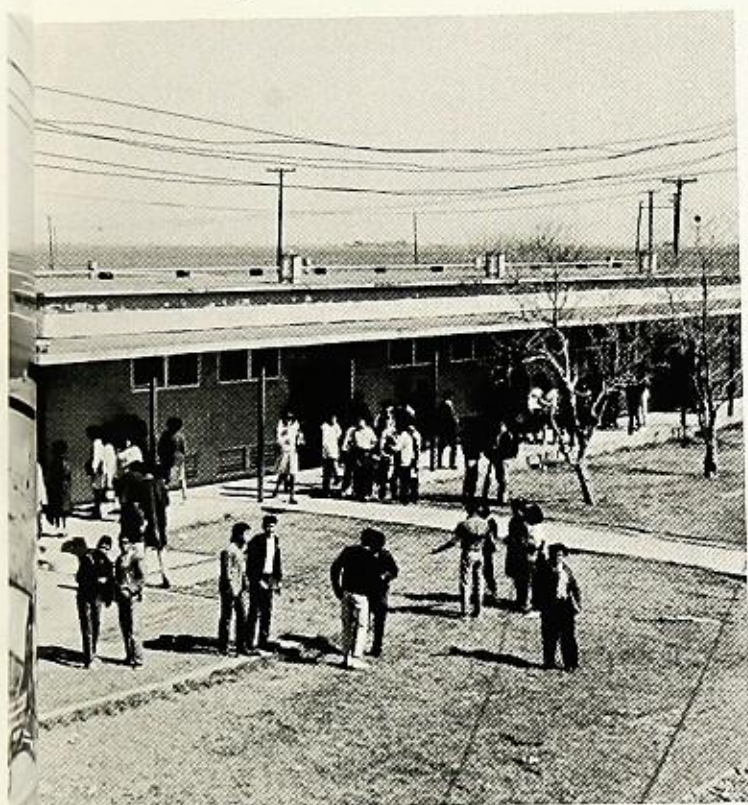

Students enjoy a vigorous day from morning until school is cut.

Activities such as meeting annual deadlines, exercises in physical education classes, and studying for tests make school more interesting.

The noon hour rush calls for more action. Students struggle in line to get potato chips, sandwiches, or ice cream.

There is always action at Oso!

socialize during noon hour.

rush to concession stand.

Last minute review before exam.

Flag folding ceremony ends school day.

# HIGH SCHOOL

West Oso has been promoted to District 14-3A this year due to the increased number of registered students.

The student enrollment has risen to 554, which is 120 more than last year. Registered are 186 freshmen, 151 sophomores, 111 juniors and 106 seniors.

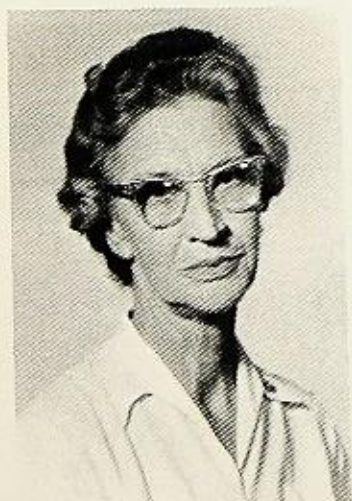

An extra teacher has been added to bring the faculty membership to 24. West Oso also has a new business manager, Mr. Herman Connor and an assistant principal, Mr. W.W. Smith.

The High School has purchased new audio-visual equipment this year to give the students a better understanding of some of their school subjects.

Among the audio-visual equipment purchased were two filmstrip projectors with slide attachments, one tape recorder, one 16 millimeter film projector, two overhead projectors, one opaque projector, one filmstrip previewer, and two phonographs.

Mr. David Martin  
University of Texas  
Librarian

# LIBRARY

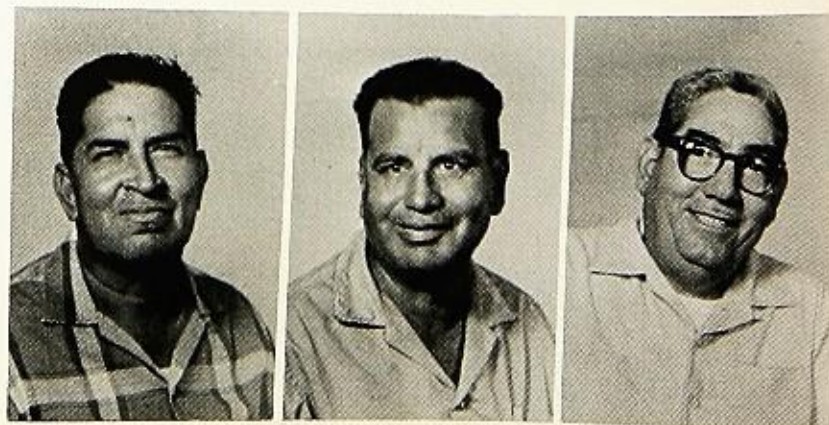

The library, under the supervision of Mrs. Eda Bacak and Mr. David Martin, offers a vast collection of new books and filmstrips which provide not only information but pleasure as well for the students of West Oso.

Mr. Martin suggests good books for leisure reading.

# CUSTODIANS

Mr. Eugenio Moreno  
Mr. Pete Rodriguez  
Mr. Luis Rojas

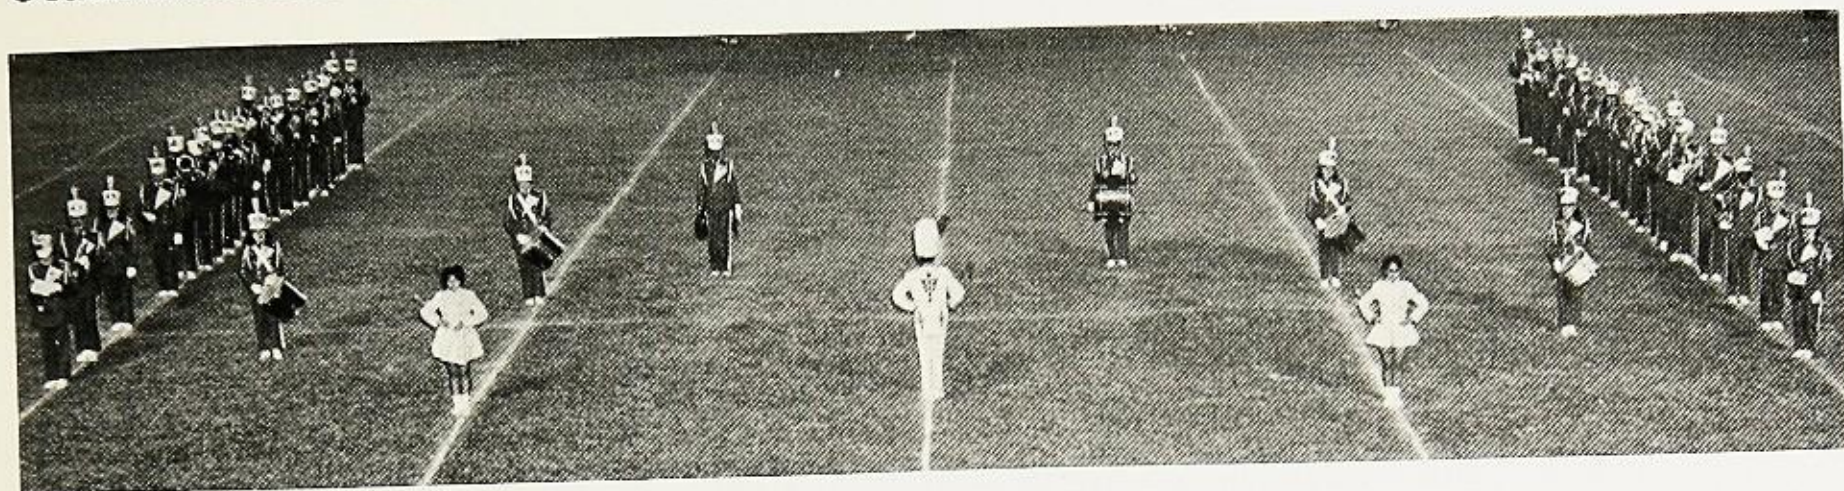

# BAND HAS BUSY YEAR

The West Oso Band, under the direction of Mr. Robert Trevino, has been busy this year. They played for football games, sold Halloween candy, gave a concert for the Corpus Christi Ministers' Association and sold chocolate bars. In December they played concerts at Kennedy Elementary School and the High School.

The band will march in the Robstown Livestock Show Parade, The Washington's Birthday Parade in Laredo, and the Buccaneer Days Parade. They will have a trip to San Antonio in April and will conclude the year's activity by playing for Commencement Exercises in May.

Mr. Robert Trevino  
Sam Houston State  
Band

Band provides entertainment at half-time.

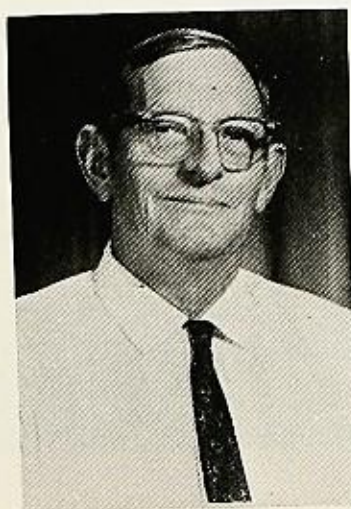

## STUDENTS STUDY "EL ESPANOL"

Mr. Blaisdell explains conjugation of Spanish verbs.

Mr. Darius Blaisdell teaches Spanish I and II. In the first year of Spanish, students learn the primaries, such as pronunciation, spelling, and reading sentences.

The second year students translate sentences and identify verb forms.

Next year there will be a third year of Spanish for those who are interested in learning more about the language.

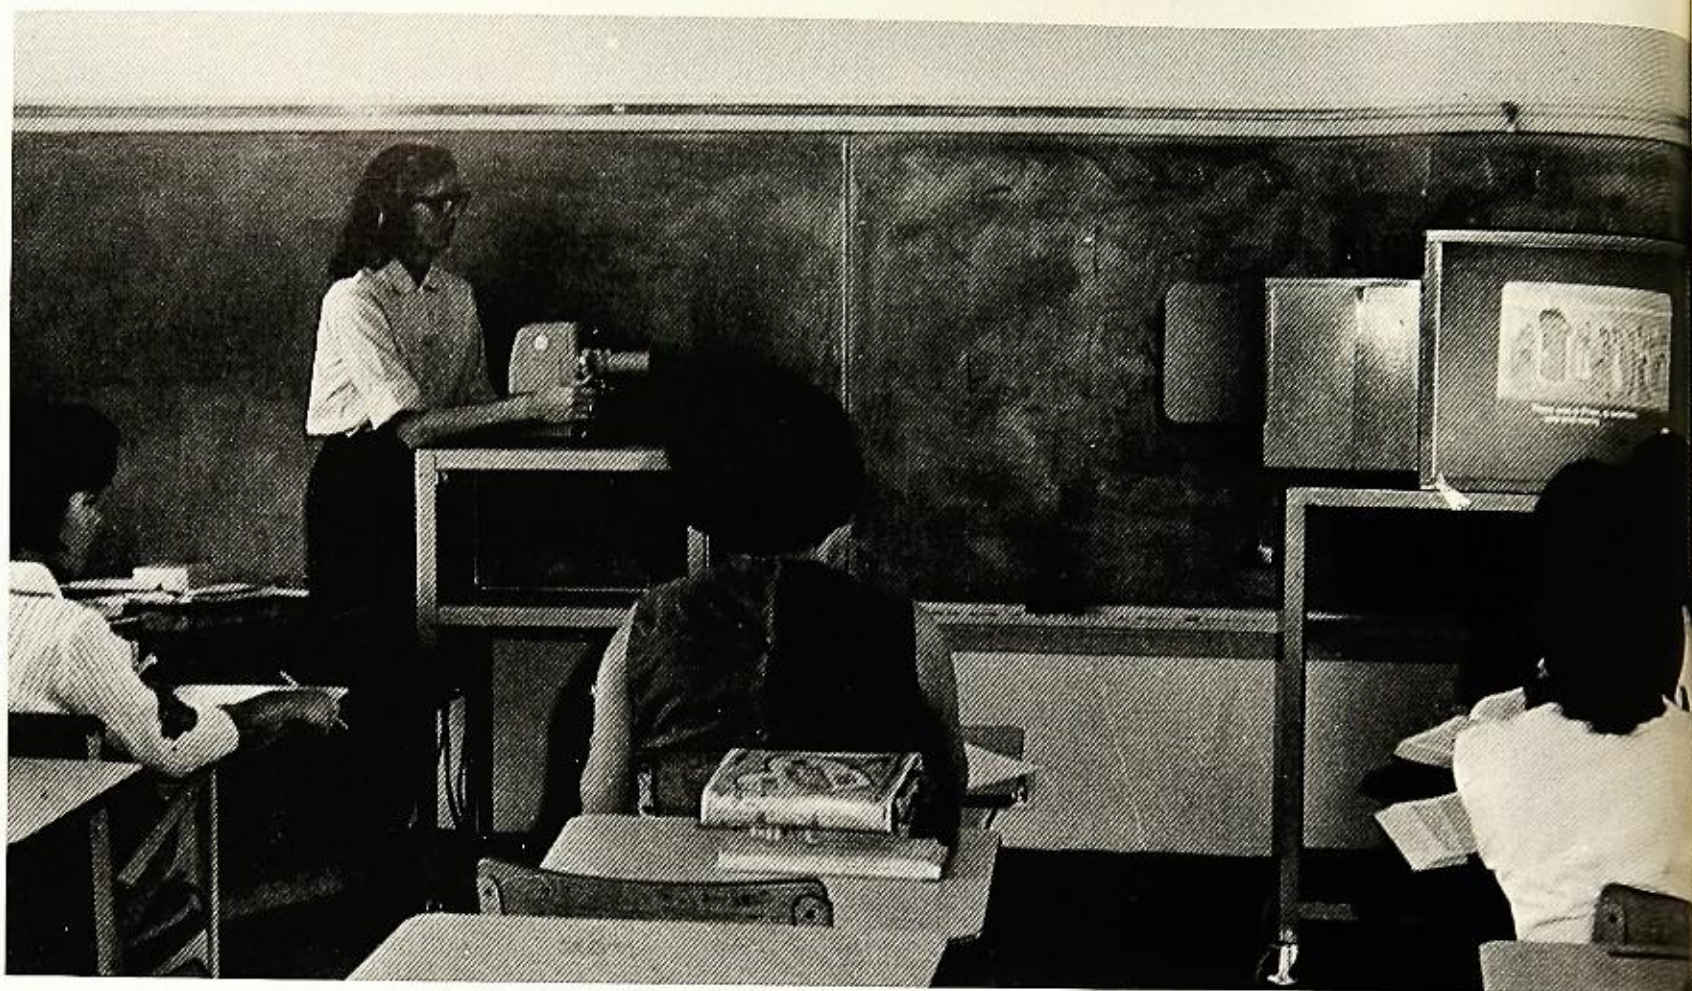

Mr. Darius Blaisdell  
University of Texas  
Spanish

# ENGLISH DEPT. USES NEW

English IV students view film on Canterbury Tales.

Mr. Muttera discusses English exercise with class.

# EQUIPMENT

Broader reading for background in writing has helped the English Classes obtain more and better use of the knowledge they are acquiring. By the use of audio-visual material, such as filmstrips, projectors, record players, etc., the students are more familiar with the material they are studying.

This year, English students will be entering the competition in the University of Interscholastic meet in the spring. Ready-writing and spelling will be included in the English department.

In order to prepare for public speaking, the Speech Classes have been preparing themselves by debating. While Speech Classes ad lib some of their speeches, they also take great care in making their speeches an informative and entertaining as possible.

The students will learn an advanced technique in the areas of debating and public speaking to inform and entertain. They are also working toward entering the Interscholastic League in the spring.

The art of fishing is pantomined in Speech class.

Mrs. Billie Linscomb

Mr. John Meeker  
San Jose State  
English-Speech

# STUDYING YESTERDAYS

Mr. Dickey explains answers to test questions.

The Social Studies Department consists of World Geography, Civics, World History, Texas History and American History.

World Geography is a course designed to give students knowledge of the continents as to their physical, economic, political, and population features.

World History is studied in three periods: Ancient, Medieval and Modern history. Students' knowledge is gained by studying scientific achievements, educational progress, music, literature, arts, medicine, mathematics, astronomy and religions of various cultures in the different periods of history.

Mr. Lauriano Falcon  
University of Corpus Christi  
History, Economics and Coach

Miss Jo Anne James  
Texas A & I  
History

Mr. Mack Dickey  
North Texas State University  
History and Coach

# FOR BETTER TOMORROWS

Mr. Rogerio Garcia  
Texas A & I  
History and Coach

Mrs. Virginia Chenault  
Tillston College  
Chemistry and Civics

Mr. R. H. Wallace  
Baylor University  
English, World Geography,  
and Business Math

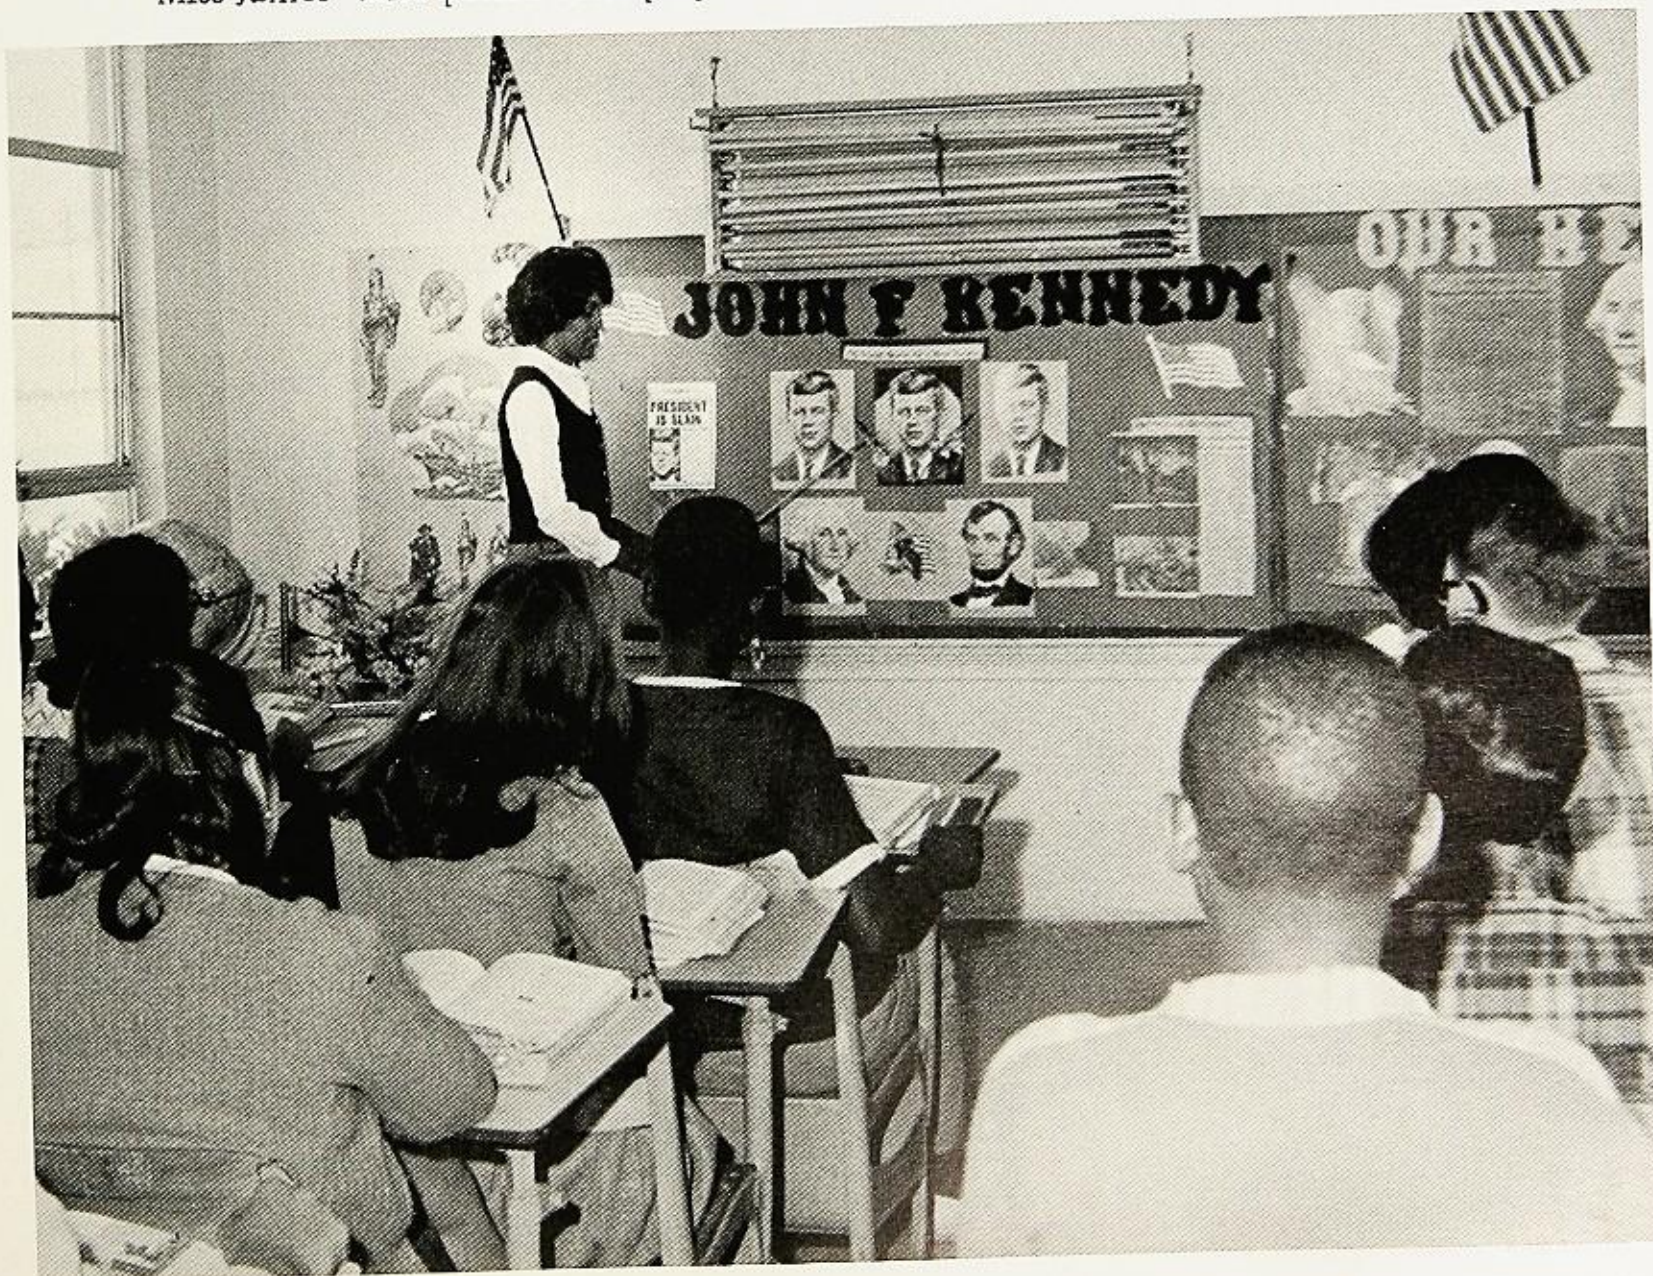

American History is designed to give the students history of America's past. Historgraphy is a new method of teaching American History and is currently being used in some classes.

The annual John F. Kennedy Memorial Day program is an outstanding event of the year and has been presented by both American and World history classes.

The five most important objectives in Civics are to have the students understand the nature of the American Governmental system, to encourage respect for law, to promote loyalty and patriotism, to promote good government, and that government today is an all-prevading social force.

Miss James' third period class prepares for annual John F. Kennedy Memorial Day.

# STUDENTS LOOK TOWARD NEW

Juan Flores exercises Banjo in preparation for Robstown livestock show.

Miss Grace Cavazos  
Texas A & I  
Homemaking

Mrs. Anna Benham  
North Texas U.  
Homemaking

Homemaking class prepares luncheon.

# HORIZONS

Homemaking helps to prepare girls for the future. The aims are to promote international good will and to foster the development of leadership. In cooking, the first year class serves a breakfast to teachers. The second year class serves a luncheon and the third year class serves a dinner for the school board, administrators, and the central staff. In sewing, the first year class makes simple dresses. The second year class makes children's clothes and the third year class makes wool suits, dresses, and coats. A style show is held each year.

Vickie De La Garza gets help in cutting out a dress.

Vocational Agriculture gives boys a wide range of trades to specialize in. Among some of these trades are welding, cementing and livestock raising. The boys attended the Annual Livestock Show in Robstown. The Vocational Agriculture building has been remodeled this year.

FFA boys work on school improvement project.

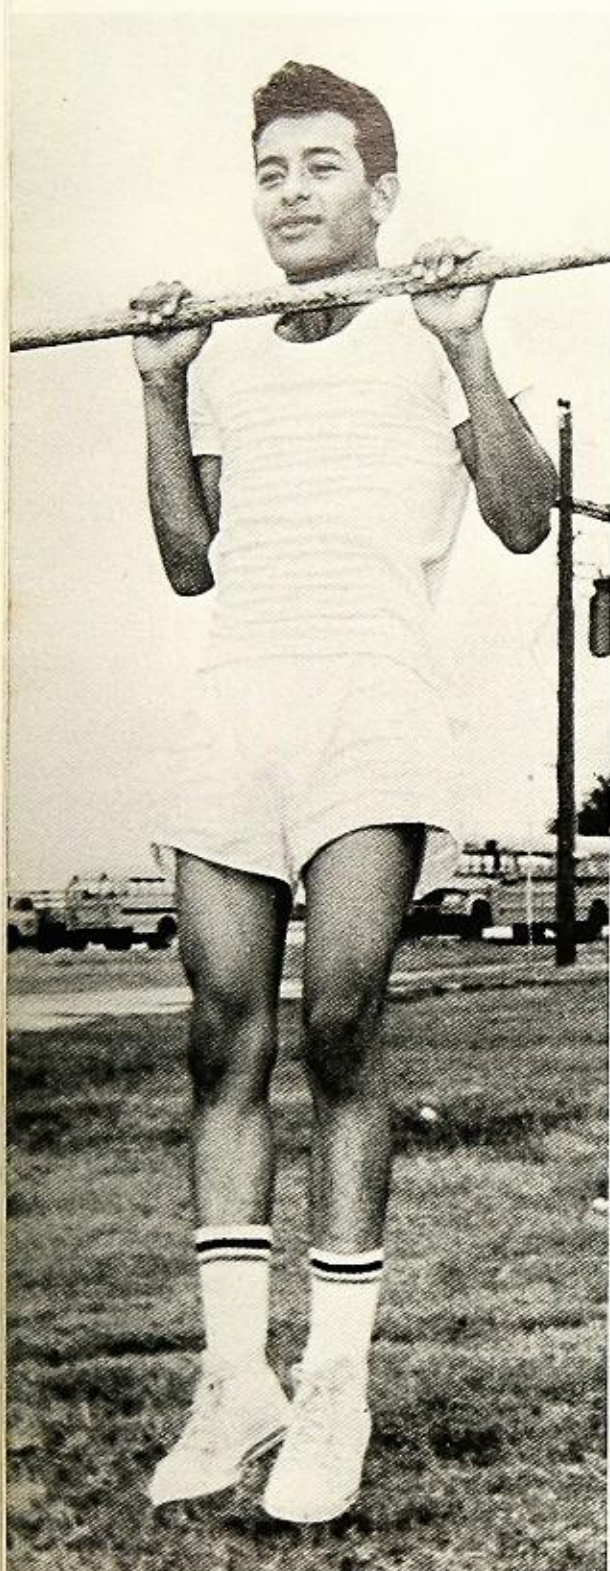

Mr. John Ritchie  
Texas A & I  
Agriculture

# PHYSICAL FITNESS

Luis keeps physically fit.

All girls should participate in daily exercises.

Mr. Rogerio Garcia  
Texas A & I  
History and Coach  
P.E.

Mrs. Carol Chihocky  
University of Florida  
P.E.

Mr. Clestino Campos  
University of Texas  
Coach and P.E.

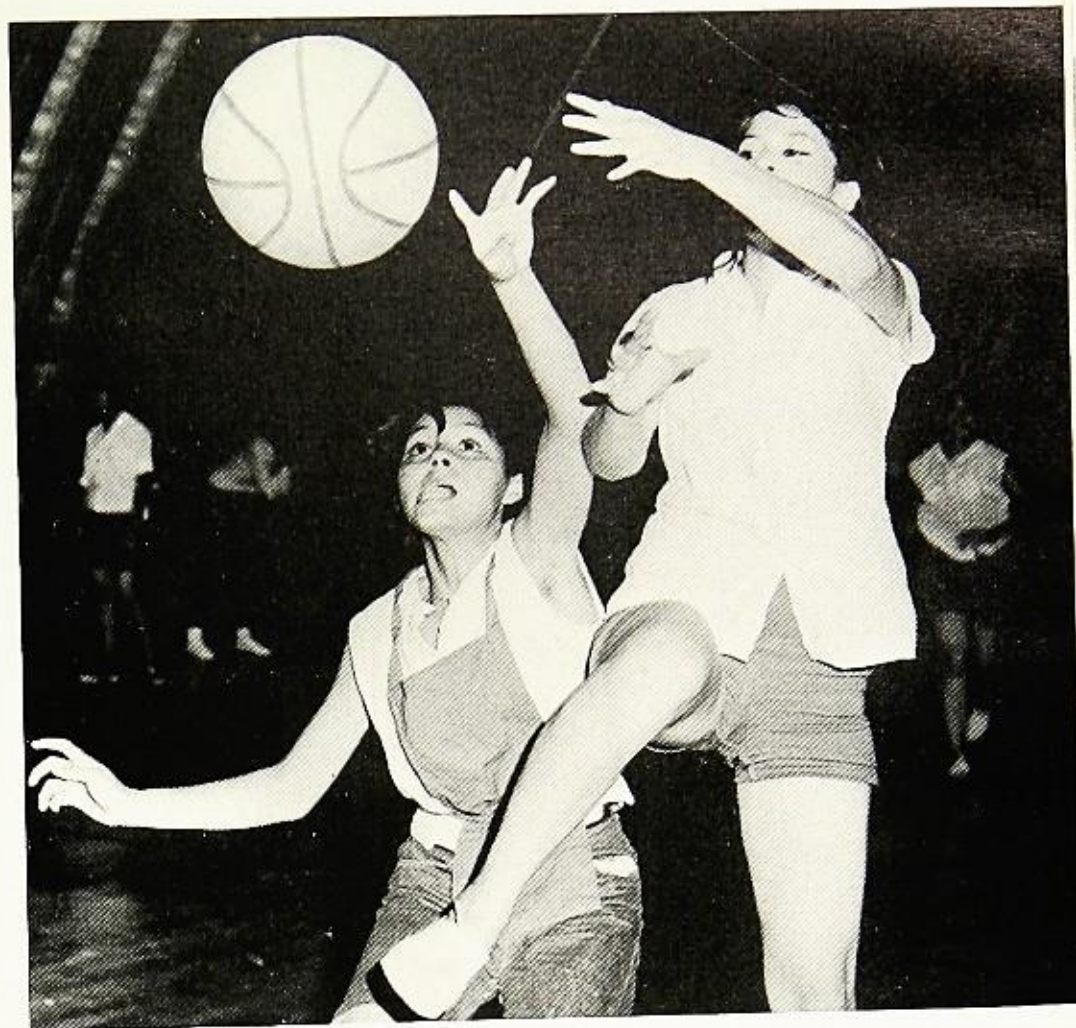

# FOR ALL YOUTH

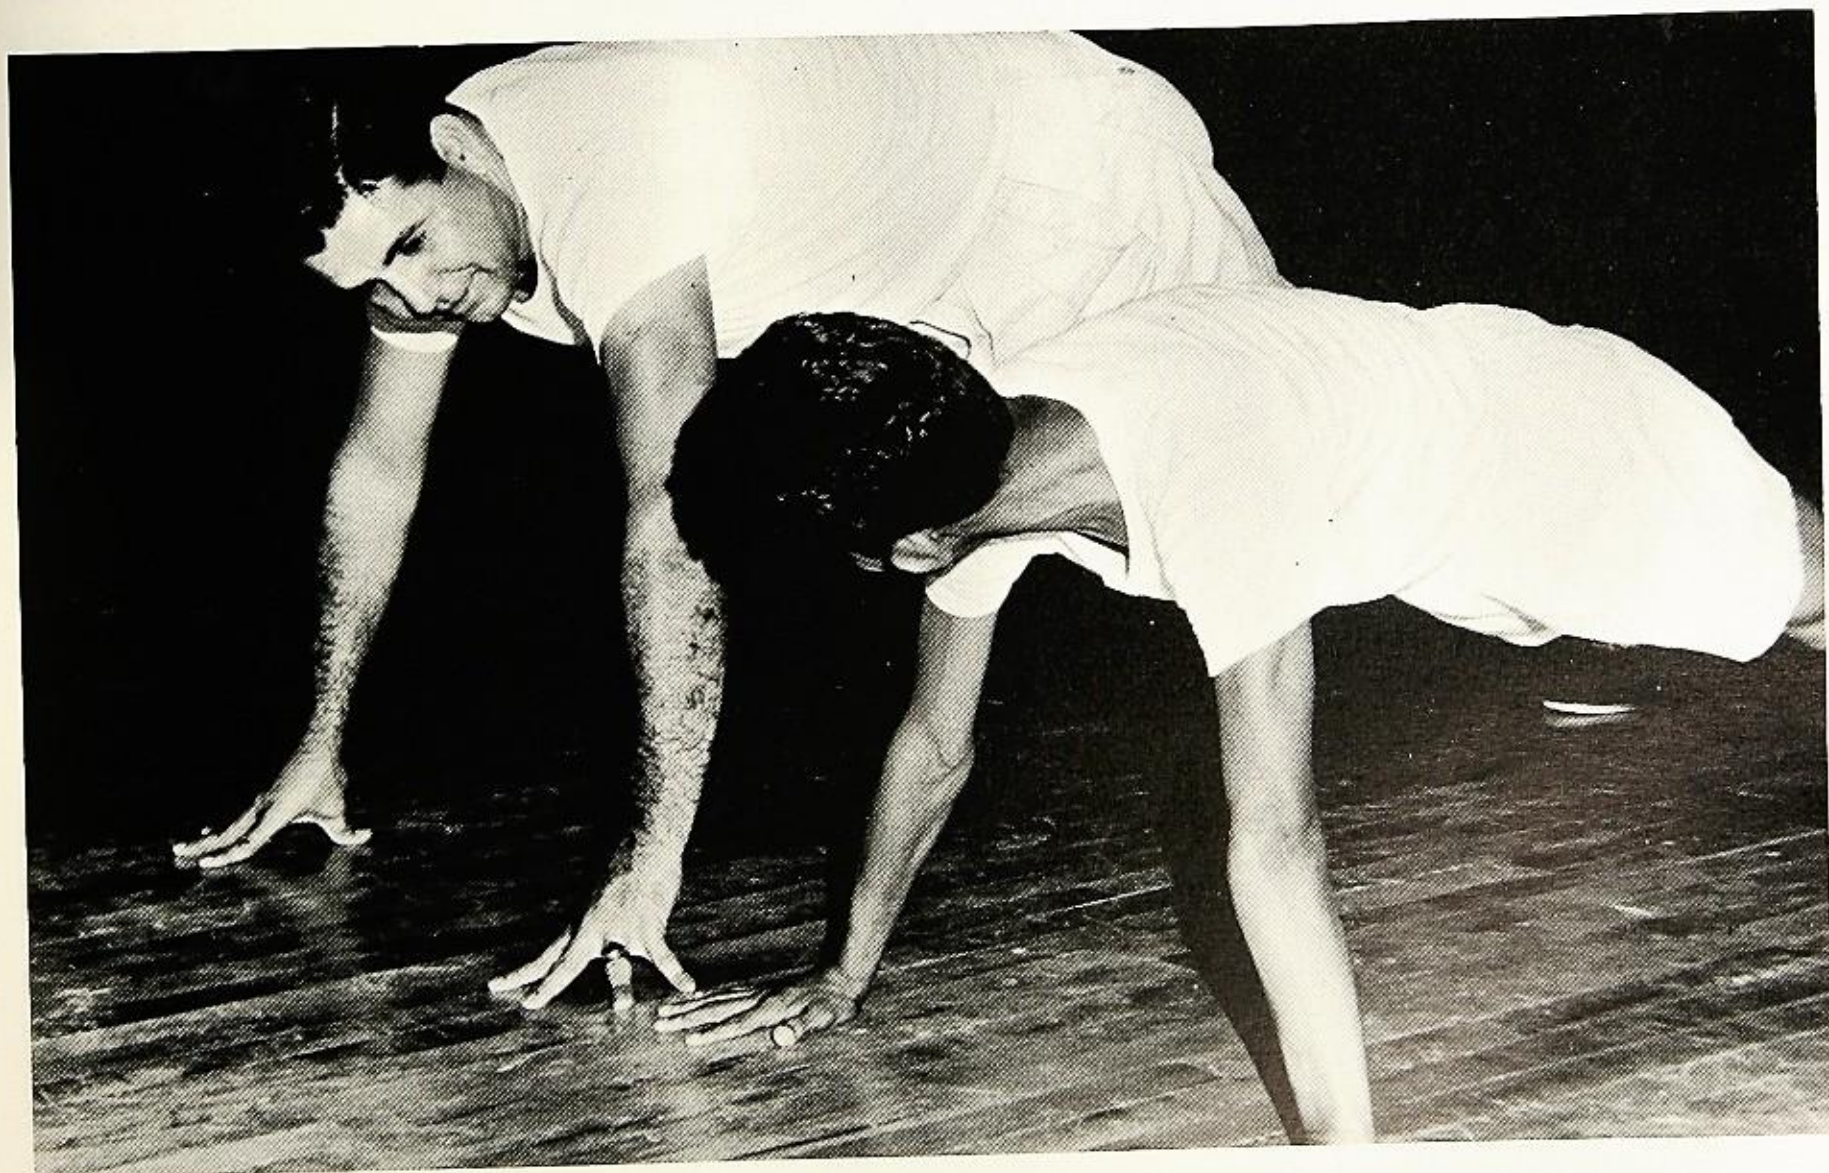

The Physical Education Program is designed in such a manner that it may be used, or partially used, as a screening device in selecting candidates for the athletic teams.

The coaches believe that the development of physical skills is just as important to students as any of the other skills. They believe that good physical skills have a very direct bearing on the development of all the rest of the skills.

This year the department is hoping to establish an intramural type program in at least some of the major activities that are offered in P.E.--activities such as basketball, volleyball and track. An intramural type program is one that they intend to set up during the activity period--once or perhaps twice a week.

Girls participate in P.E.

Coach Garcia demonstrates push-ups.

# JOURNALISM

Journalism students "learn by doing." They publish the school newspaper, THE BEAR'S PAW, and the yearbook, THE BEAR.

This year the department is participating in more outside activities. The editors of both the annual and the newspaper, along with the advisor, attended a Journalism Institute for a week in June at Trinity University in San Antonio.

Five members of the newspaper staff and their teacher went to a one-day workshop at A.C. Jones High School in Beeville in September.

October 1, a school bus took 19 journalists and the advisor to a one-day workshop at Trinity University. Six staff members of the newspaper and annual with their advisor attended the journalism division of the Interscholastic League Workshop at Texas A & I College in Kingsville in November.

Students are planning on attending Press Day at the CALLER-TIMES and on entering competitions held by the Interscholastic League.

Journalism students learn art of writing.

Bookkeeping I students learn how to keep a complete set of books for a single proprietorship. To correlate their work, they use a workbook and practice sets. The studying of bookkeeping is easier this year, due to

an overhead projector and a number of transparencies that have been prepared by the main office. A field trip to a bank will give students an opportunity to see modern bookkeeping in action.

Mrs. Verna Haseman  
Texas Woman's University  
Texas A & I  
Journalism, Bookkeeping

Mrs. I. R. Jimenez  
Texas Woman's University  
Business Law, Shorthand,  
General Business, Math

Miss Lois Kelso  
University of Denver  
Typing

# BUSINESS

Business Law class has been studying points of law that govern day-to-day activities. The social as well as the individual aspects of law have been emphasized. The class has studied the legality of contracts, labor relations, certain phases of sales, bailments, and insurance. The teacher has taken the students on field trips to observe some law suits and plans to engage in more activities.

Shorthand classes have completed learning the theory and are working on increasing their reading and writing rate. The class is using shorthand records in preparation for the Interscholastic Meet.

General Business classes have been studying banking, stock markets, corporations, the use of credit, and insurance. As a project, students wrote to corporations for information which they will condense and set up as a research paper.

Miss Kelso drills students for speed and accuracy.

Elia Navarez gets explanations of shorthand symbols from Mrs. Jimenez.

Because typewriting will help the students in whatever field he chooses, each student is encouraged to develop his skill to compete successfully with anyone who has studied a comparable length of time.

The students must work to cultivate such habits as attention to details, concentration on the task at hand, neatness and appropriateness of form, organization of work and materials, open-mindedness and carefulness in following instructions.

In this way, the vocationally inclined student will receive a secure foundation for the learning of other office procedures.

# EXPERIMENTS WITH PRINCIPLES

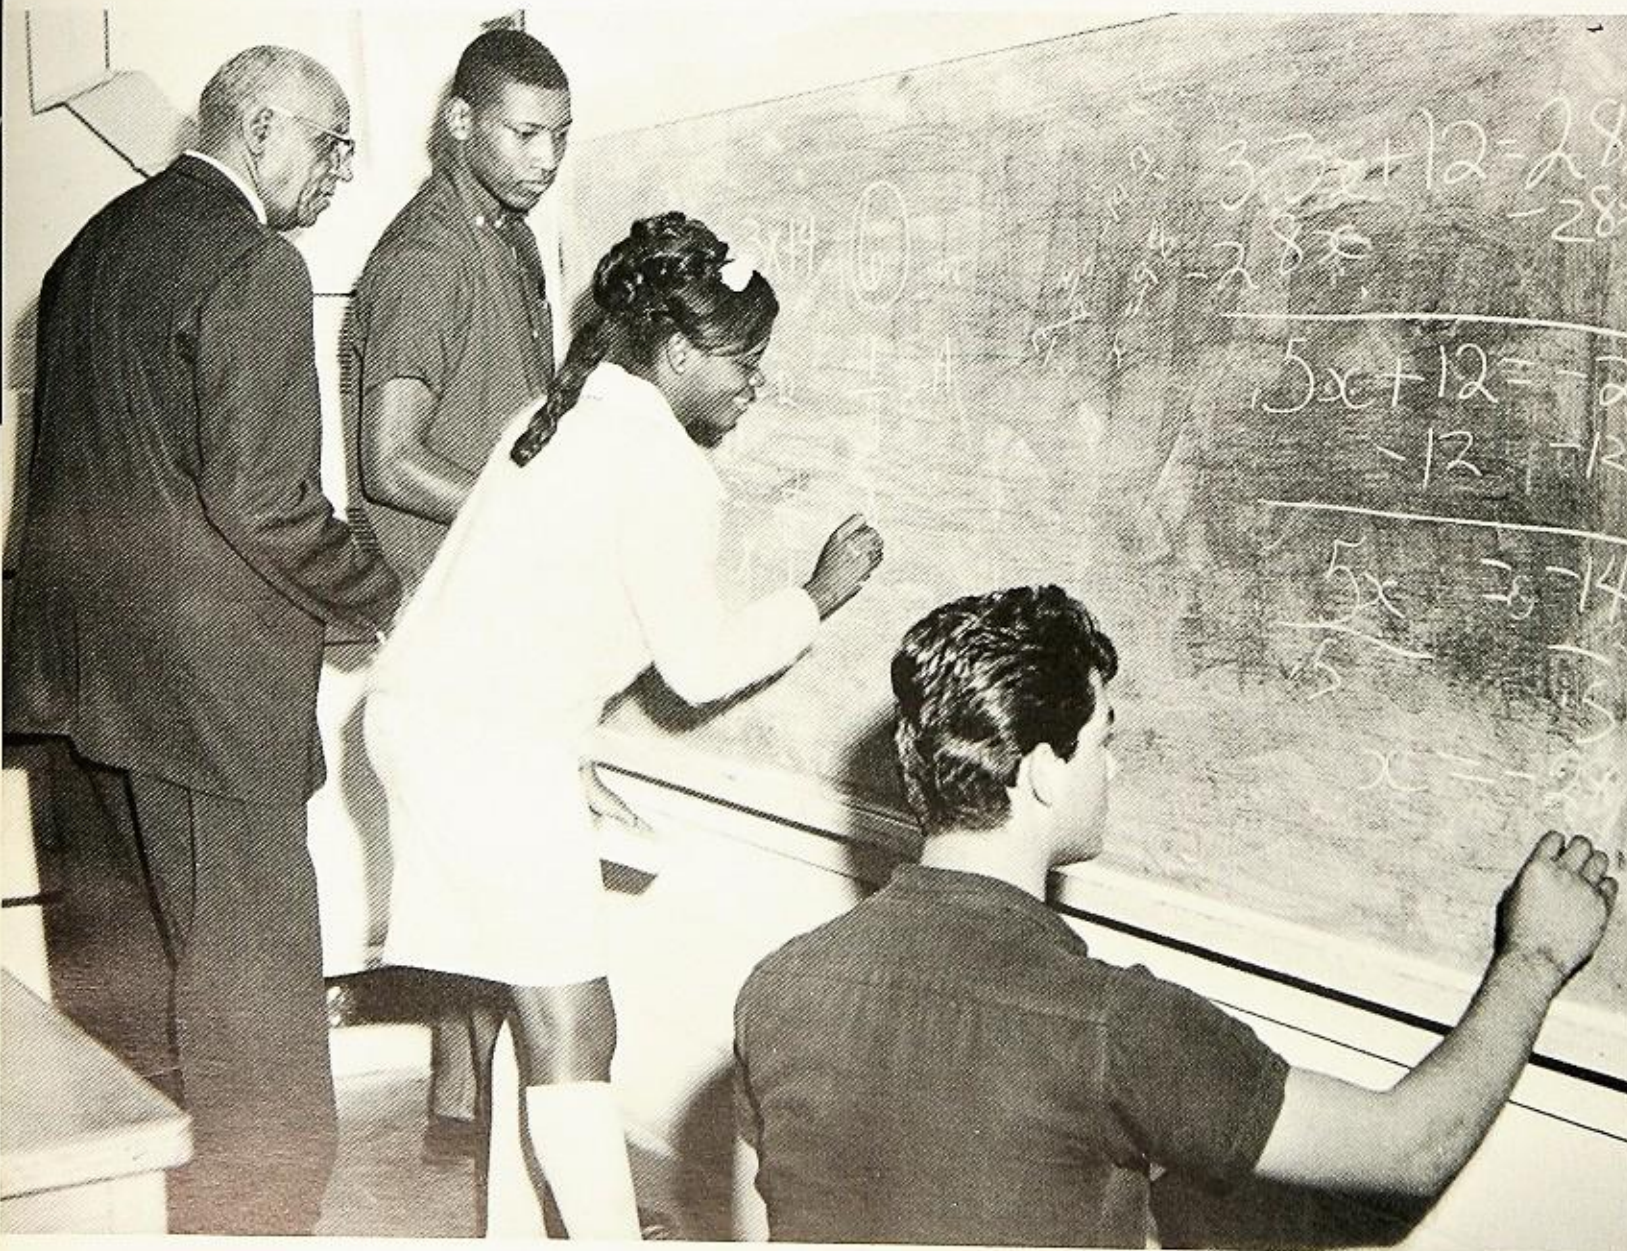

Mr. W.W. Smith  
Southwest Texas State  
University of Texas  
Math and Physics

Mr. John Evans  
Texas Southern U.  
Texas A & M  
Related Math

Mr. Cornelius Sampson  
Bishop College  
University of Chicago  
Math

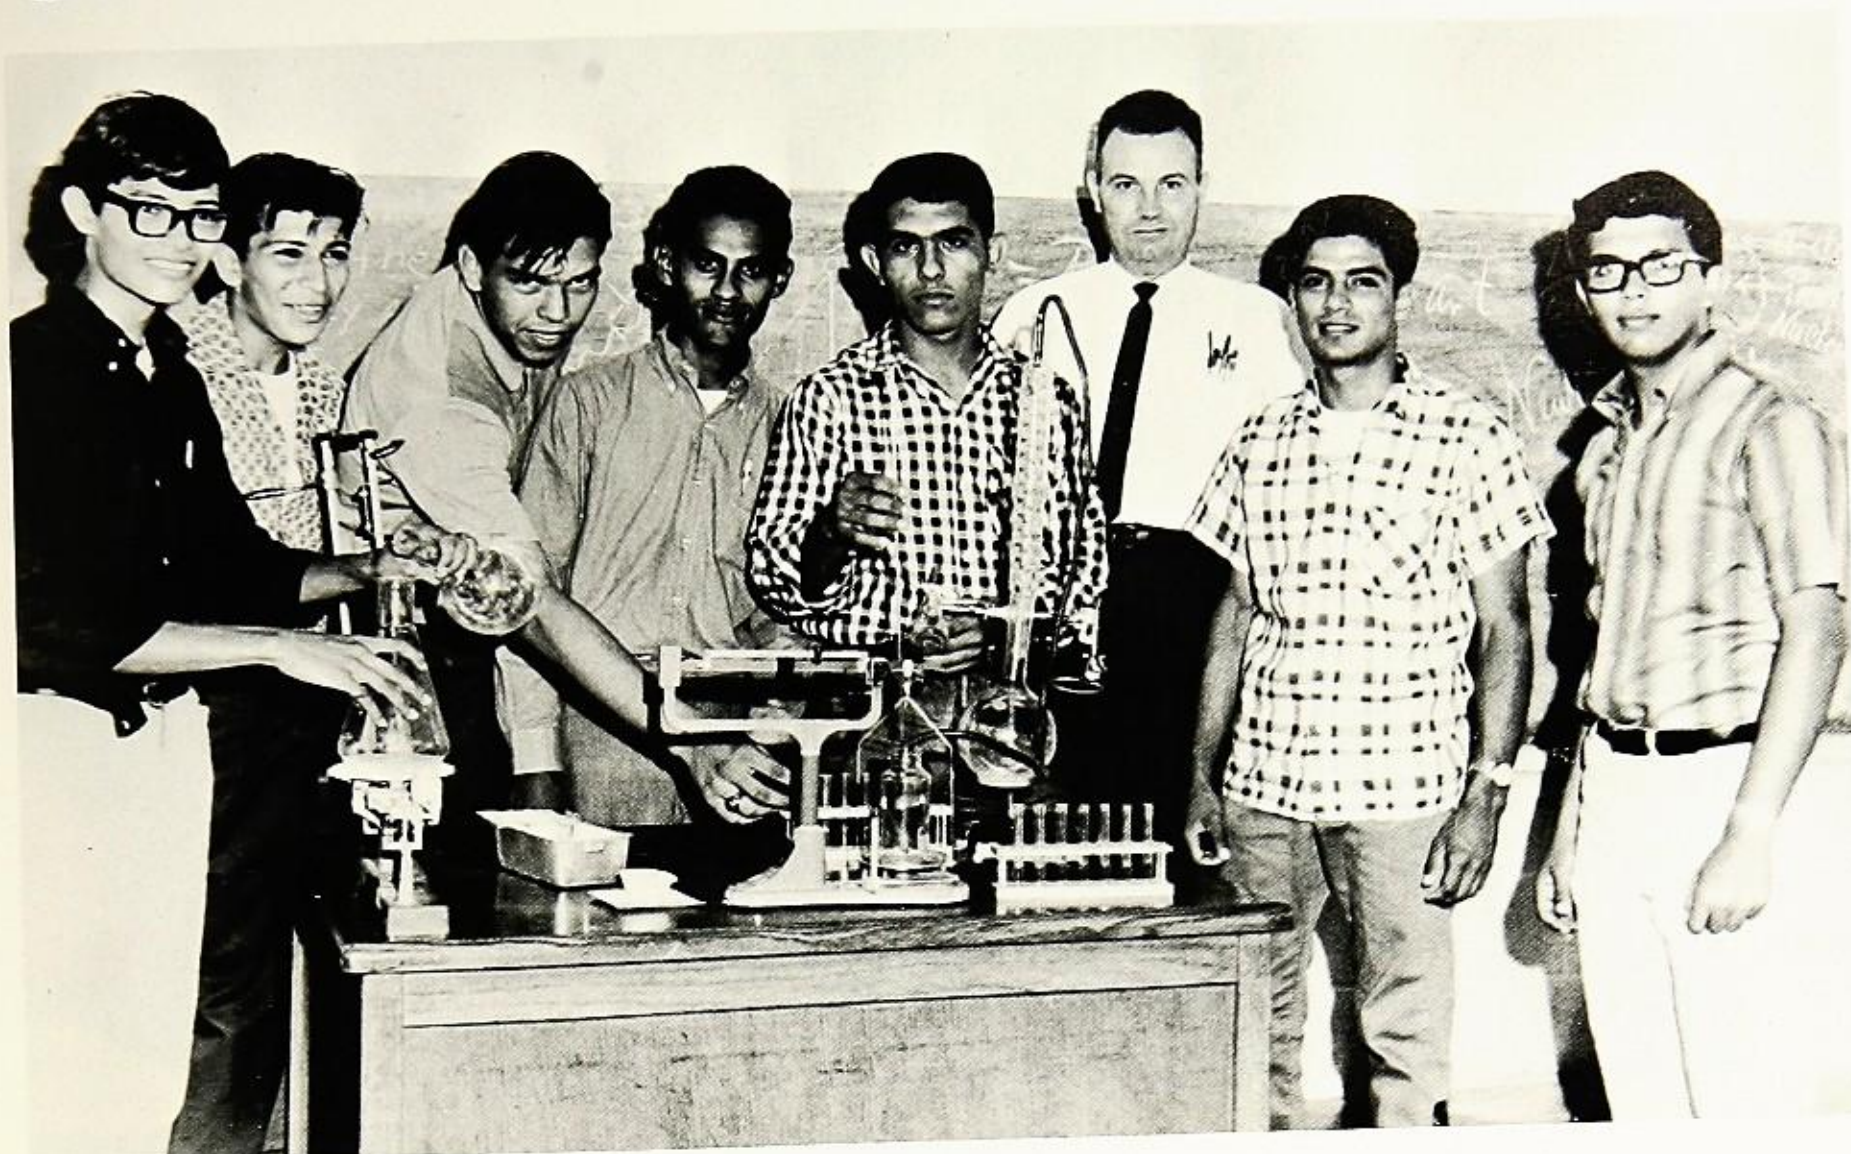

The study of mathematics is becoming increasingly important, and has won for itself a distinct and enviable place in the modern industrial and scientific world. The mathematics courses at West Oso High are designed to prepare a student for college or a place in the business world.

Mr. Sampson explains new Algebra problems to Will Jackson, Beverly Jackson, and Andy Villarreal.

# OF MATH AND SCIENCE

Mr. Smith and Physics class experiment with new equipment.

The Science Department for this year has one central purpose; to broaden the student's knowledge and interest in the field of science. Through films and lab experiments the students are able to understand the basic concepts of science. There are four science courses offered: General science, biology, chemistry, and physics.

# CHEERLEADERS, MASCOT FIRE UP SCHOOL SPIRIT

Under the enthusiastic leadership of the Bears' cheerleaders and mascot, the teams and student body were fired up with school spirit and determination. They were with the Bears all the way!

Shown below on top row are Rudy Ortiz, Wilbert Haywood, mascot, and Frances Saenz. In the center is Oso's head cheerleader, Enriqueta Garcia. First row are Mary Deramus and Antonia Longoria.

# Congratulations Seniors . . .

Now it's time to plan for the future. And whether your plans are settled, or not, remember this: your own South Texas is a land of promise.

Today, there are many opportunities for trained and ambitious young men and women. New industries are moving into South Texas . . . established industries are growing. Accept the challenge - move forward with South Texas.

Central Power and Light Company is proud of the hundreds of graduates of South Texas high schools and colleges who are on our electric service team . . . working and building for a greater South Texas.

## EDITOR MAILS FINAL COPY FOR 1967 BEAR

Editor David Vasquez mails copy to Paragon Press.

Final copy for the 1967 BEAR was mailed out the last day of February. We enjoyed working on the yearbook and hope that you will enjoy looking at the pictures and reading about our school year of 1966-1967.

The Annual Staff members would like to thank the administration and the faculty for their cooperation. They would also like to thank Yvonne's Studio and Mr. John Meeker for taking pictures, and the Corpus Christi Chamber of Commerce for lending a color transparency for the end sheets and three pictures of Corpus Christi that appear on the division pages for advertisements.
